MANTEINANCE

Painted aluminum

Rope & cushions

Clean the surface regularly with warm water and neutral soap. Use a non-abrasive sponge or cloth. Rinse with plenty of water immediately after cleaning. It is recommended to clean it with a water humid sponge or clothe and a little bit of neutral soap. diluted in large quantity of water. If this doesn't work, use a soft brush instead of a cloth, to rub the stain. Be careful and do not use hard chemicals products that can affect the fibers.

BOX WEIGHT - VOLUME
