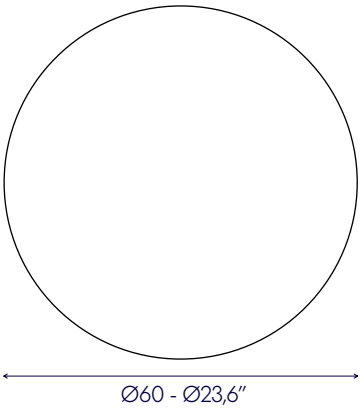
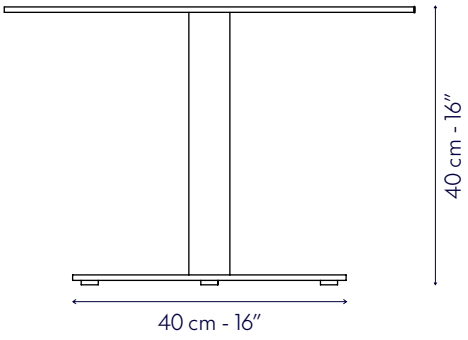
esen

The Esen collection redefines the basics. It presents just what you need: a refined range of accessories to enhance any space. Available in a wide variety of fabrics, finishes and colors, this collection of clean lines and impeccable finishes reflects a discreet sophistication that adapts to any outdoor environment: an urban terrace, a garden, a residential setting or contract projects.

The side tables are made entirely of aluminum, offered in one size, multiple colors, and feature a central base that provides stability and functionality. The poufs of the collection are the perfect complement to any outdoor space, bringing warmth and versatility. They can be used as a side table, footrest, seat, or even as a decorative detail that adds color and comfort to your space.

esen, central leg table
Ø60x40





Central leg

Material

• Extruded aluminium, polyester powder coating.

Base

Material

• Extruded aluminium, polyester powder coating.
• Includes adjustable feet.
• Same color as central leg and table top.

Table top

Material

• Aluminium plate, polyester powder coating (8mm).

Maintenance

Powder coating aluminium

• Clean the surface regularly with warm water and neutral soap.
• Use a none-abrasive sponge or cloth. Rinse with plenty of water immediately after cleaning and remove the water on the surface with a drying cloth to help you avoid water stains.

For more information see our "Properties and maintenance guide".
